This year's game has a new approach, as it has one player story mode and two multiplayer modes. Both modes are the same in essence, and they mix well together. The single player story mode is fine, but not spectacular, and the multiplayer is where it shines. The shooting mechanics are the same as in Black Ops, with a revamped cover system. Another new element is the healing system, which is much better than in Black Ops. If you want a Call of Duty game, this is probably the one to get. It has nothing to beat, but the gameplay is solid and is even better than Black Ops. Reviewed on PC. Fri, 11 Jul 2015 09:16:21 +0000Reviews2330-32210Call of Duty Black Ops 2 Call of Duty Black Ops 2 is an action-packed first person shooter video game developed by Treyarch and published by Activision for the PC, PlayStation 3, and Xbox 360.

The player assumes the role of military operatives in a war against a terrorist group known as the "Cerebral Assassin's Organization", known as the "C.A.O." The game takes place in 2025 where a new cyber-security operative named Captain Price is able to send a signal to the President, alerting them to the whereabouts of the enemy. As the commander of a new Joint Special Operations Team (JSOT) that has been sent to eliminate the C.A.O. of AQ. As the game progresses, the JSOT leader is able to contact the President, who gives him and the rest of the team permission to use their tactical skills to complete their mission. The only player able to communicate with the President is Captain Price. The game takes place in 2025 where a new cyber-security operative named Captain Price is able 82157476af
